

GILLIS SCHOOL

Gillis School participates in the Elementary School Milk Program offered by Dairy Farmers of Manitoba. When your child eats lunch at school they can have fresh, cold milk.

Milk provides the kind of healthy goodness that helps children concentrate, have more energy, and get the most out of their school day! No other drink comes close to giving children the 15 essential nutrients they need to grow and be healthy.

We encourage you to pre-order milk for your child. It means you don't have to remember to send money to school every day. Pre-ordering and prepayment also cuts down the time the school spends on administration.

Please use the order form provided below. Make payment in cash or by cheque. **If paying by cash, please put the exact change in a sealed envelope with your child's name clearly printed on the front. Cheques should be made payable to "Gillis School".** Order forms will be sent to you on a monthly basis. Please return the order form, along with your payment, on the last Monday of each month.

If you have any questions, please feel free to call the school @ 268-4353.
