

BOARD AUTHORIZED COURSE

Course Name: Advanced Esthetics – WHMIS & Nail Care Technology I

Course Code: YCPM 11C

Course Credits: 4

Created by: Southern Okanagan Secondary School

Course Synopsis:

Students learn the art and science of nail care technology. Sanitation and sterilization procedures are emphasized. Nail polish, nail art, artificial nails, manicures and pedicures are covered. The course is a combination of lecture, demonstration, and hands-on practice. Students will start utilizing their new skills by providing professional nail care services.

This course also introduces all aspects of the Workplace Hazardous Materials Information System as required by the Federal and Provincial Legislation, which created the regulations. Supplier, employer and employee responsibilities are clearly defined. Specific workplace examples are explored, if available.

Course Approved: January 25, 2012
