

## KGD PARTNERSHIPS AND SPONSORSHIPS

---

Sunrise School Division welcomes and supports community partnerships that enhance the quality and relevance of education for all learners. The Division encourages creating positive relationships and partnerships with the business community if those relationships provide opportunities to expand resources and experiences that benefit students.

Principals may recommend such sponsorships to the superintendent or their designate, including the use of a business name and/or logo in school materials to acknowledge the sponsorship donor.

The Superintendent or their designate will make the final decision in these matters.
