

BOARD AUTHORIZED COURSE

Course Name: Applications of Learning 11
Course Code: YPA-11A
Course Credits: 4
Created by: Osoyoos Secondary & District Principal

Course Synopsis:

Receive instruction in study skills, organization, and time management strategies.

Receive support to utilize and apply these study skills strategies as they apply to everyday work from the regular classroom. Receive instruction in strategies for personal development of skills in areas of learning that are of concern for the LD student. Receive assistance utilizing these remediation strategies. Prepare for writing of provincial examinations. Provide opportunities to work both independently and cooperatively with staff, peer tutors, and other students. Review and extend their understanding of their unique learning style and how to use their strengths.

Learn how to develop social relationships with “regular population” students (OASIS focus). Participate in the monitoring and evaluation of their academic gains from learning strategies instruction in the areas of spelling, numeracy, reading comprehension and word identification. Be participants in goal setting and IEP planning. Receive requested support to meet individual learning needs

Course Approved: June 25, 2008
