

Sunrise School Division supports its teaching and administrative staff in the maintenance of proper order, discipline and decorum on school premises, within divisional facilities, and also during the course of any divisional or school-approved activity, on or away from the school campus.

Further, the division recognizes that students are entitled to privacy. However, it is acknowledged that school administration may consider a search necessary to maintain the integrity of the school environment and to protect students.

To this end, the division empowers the principal (or designate) to conduct reasonable searches of students' clothing, personal effects, lockers and vehicles. The school division will publicize its search procedure annually.
