

Dear Parents/Guardians,

This email has been sent to you because you have a student in École Edward Schreyer School. Below is some information to help you create your account in order to access the parent portal.

Teachers have been transitioning into using the electronic mark book that is connected to this portal and are learning how to enter the information to best represent student progress and learning. As we move forward with opening the portal, please remember that it is a pilot project so it will be a work in progress for the remainder of this year.

The user ID and password email is scheduled to go out on **November 25th**.

F.A.Q.

What do the numbers in the weight columns represent?	The calculations used to determine average marks take into account that some items may be worth more than others. If all the weight values are equal, then the weighted mean is the same as an arithmetic mean. A higher weighted mark has a greater impact on the final mark as a lower weighted mark has less of an impact on the final mark.
