

Members Present:

Chairperson: Dee Sugden	Members at Large
Secretary: Jen March	Arlene Harkins
Treasurer: Steve Galbraith	Linda Seeman
Principal: Murray McRae	Teri Newton
School District #71 Trustee	Janice Caton

* The next PAC meeting is on December 20th at 7pm.

Treasurer's report:

Steve went to the bank to check on the status of the PAC accounts. There was a problem with the gaming account application and Steve has reapplied, submitting the paperwork this morning. The old non-gaming account was closed as there was a negative balance. There is a new non-gaming account with a balance of \$500. Dee is planning to go into the bank to sign for this new account.

Principal's Report:

There are 23 kids from grades 10-12 on the wait list. The list has grown as many students from the KEY program are moving up into Senior Alternate. This year there is room in the KEY program.

Dr. Claire was in today and spoke to kids on sexual health. She has been in the district for many years.

There was an earthquake and fire drill held on on November 9th and this went very well.

We had a moment of silence on November 10th and this was well received.

Photo re-takes are scheduled for November 29th.

Term 2 is ending soon and parent teacher interviews are coming up on Thursday November 24th. Interviews will be 20 minutes long in Senior Alternate and 30 minutes in the KEY program. There was a Metis presentation by Brodie Douglas on Wednesday. Murray has been given 3 high-end skateboards and the plan is to run a contest where students can earn "Mcrae bucks" and enter a draw to win the boards. The criteria for earning "bucks" include good attendance, respectful behaviour, helping a staff member, completing courses, com-

ing back from break on time etc... There will be 3 draws during the year where students can win one of these skateboards.

Dee still hasn't gotten anywhere with the city of Courtenay in regards to the shut-down of the trail at the top of the hill that many students have used to walk to school. There is still a question as to if parents are allowed to circulate a petition on school grounds regarding this issue.

Wellness Centre:

VIHA staff came over at the end of October to set up the space. Maintenance has begun to install a sink in the space. There will be a soft opening on November 30th for the students at Glacier View exclusively. Bobbie will be making soup on the Tuesday and serving this in the wellness centre. There will be an official launch in either December or January.

Clubs that are running include: GSA, Outdoor club, and boys' group.

Adjournment: 8:15pm
