

November 2017

I have noticed Children are experimenting with the sounds of the rocks in the water table, they are curious about what is inside the chestnuts. Did you notice this too? We will be playing with masks, glasses and some other dress up props to follow with fun times of Halloween.

Ready Set Learn events are family events for 3 years in the Comox Valley. They are happening in the Valley during November. Please look at StrongStart for dates and locations of events. Queneesh is hosting Ready, Set, Learn on Nov. 21 Captain ThunderPants is coming to sing!

Please help us welcome the Seniors to Queneesh on Monday November 20th. We will make a special snack and invite Grade 6 and seven students to serve tea. Hope you can come.

Have noticed the Snack Waiting List at the snack table. When the table is full please write your child's name on the list. As space is available let the next person know. When children and adults sit together at the snack table it allows more opportunity for children to serve themselves, for children and adults to have conversations. This supports children social and emotional development.

Up Coming events:

Nov. 1: Cook our pumpkin. What would you like to make? We will share some of our baking with the rest of the school.
