

JIA
STUDENT DUE PROCESS

The Sunrise School Division believes in the timely resolution of student complaints and grievances through an orderly and systematic process that recognizes that many concerns can be resolved without the initiation of a formal process.

A complaint, concern, or grievance shall be defined as a claim by a student that there has been a violation, misrepresentation or misapplication of school division policies, procedures or guidelines.

All students have the right of access to the complaint and grievance process. No reprisals of any kind shall be taken against any person because of his or her participation in the process.
