

June 2018

June is an opportunity to build on the children's interest of bugs. The painted lady butterflies will be ready to release soon. The frogs are growing and changing everyday. We will continue to spend time outside and we will be exploring the community. Our trips will include going to the forest, the beach and a visit with the seniors. We are looking forward to the Story Box presenter's coming the date will be confirmed. If your child is starting kindergarten this September, please complete a transition form to give to your child's school.

Please check the art basket for art and your child's play journal, these things need to go home, or they will be recycled, at the end of the school year.

5 Ice Cream Cones

Five little ice cream cones so good to eat.

The first one said, "I'm a summer time treat."

The second one said, "It's such a hot day."

The third one said, "I'm melting away."

The fourth one said, "Don't lose your top."

The fifth one said, "Oh dear , ker-plop!" (Place the last cone upside down.)

I wish you a wonderful summer, filled with many wonderful moments. I am always so grateful for the opportunity to spend time with you and your children. See you in September
