### School Programs and After-School Activities

ÉESS is committed to helping students be well-rounded by teaching them beyond the basics. Here are some of the programs we offer to give students opportunities to explore their world:

- Symphony Orchestra
- Curling Academy
- Apprenticeship
- Industrial Arts
- Home Economics
- Technology
- Business Education
- Special Education and more

The school day might end at 3:30, but there is more going on at our school, including:

- Manitoba Theater Company Tour Group
- RWB Performance
- Sports practices, games and tournaments
- Community User Groups offering varied opportunities to students and community members such as sports groups, fitness and dance classes, cooking and art classes, first aid classes and meeting space
- Various clubs and committees where students can develop unique skills

### A Snapshot of our 2017/18 School Year

As the year ends, we reflect on the great memories of the year. Here are some highlights of 2017/18.

#### 2017 Terry Fox Campaign

Our school raised over \$6,500 for the Terry Fox Campaign this year. Fred Fox, Terry's brother visited our students on May 24, 2018 to celebrate the successes of our school.

## **Sports Overview**

### Grade 7/8 Soccer Champions

ÉESS Grade 7/8 Boys Soccer are champions for the second consecutive years in a row.

### SO Bocce Unified Team

Our team qualified for Nationals in Peterborough, Ontario held at the end of May 2018.

### JV Volleyball Girls

The team finished the season on a high note and qualified for Provincials.

### Varsity Curling Teams

The Varsity Girls Curling team placed 3<sup>rd</sup> at the MHSAA Provincials in February, after capturing their 6<sup>th</sup> consecutive Zone 13 banner along with the SAC banner. The Varsity Boys Curling Team was undefeated in capturing the SAC banner.

### Varsity & Junior Cheer Teams

The Varsity & Junior Cheer Squads placed first in their categories at the Provincial Cheerleading championships in Portage la Prairie. An extra congrats to the Varsity Team that won the school grand champions and the Provincial championship banner!

## **"Yes I Can!" Awards**

The following students and staff members were honoured and recognized at the 28<sup>th</sup> Annual Yes I Can Awards event held in February: Evan Durocher, Back Long, Sydney Deneka, Julia Armstrong, Sarah Gesell and Denise Roy.

## **Innovation Week**

SY Innovation Week was held April 23 to 27 and MY Innovation Week was held between May 22 to 25. Innovation week provided an opportunity for our students to explore their subject areas in a deeper way using an inquiry based approach. Senior Years students spent one entire day with each of their subject area teachers. Middle Years students participated in rotating innovation groups. Students had an extended opportunity to explore topics with real world applications.

## ***“Peter and the Starcatcher” Drama Production***

In May, the ÉESS Drama Production held four amazing performances. This production took us on an incredible journey. It came to life with our talented student actors under the supervision of wonderful directors, beautiful costumes and impressive sets.

## ***ÉESS SY Human Rights Committee***

The group coordinated a Winter Clothing Drive to support those in need around our community. They also organized a Tylenol Drive for doctors on a medical mission in Kenya.

## ***ÉESS Student Entrepreneurs***

- “Tasty Treats by Hayley” - Hayley Sosnowsky can be found twice a month selling her homemade baked treats at school. She has donated some of her profits to the following: Donations to Make a Wish Foundation.
- “Becks, Beans To Go” - Beck Long runs Tim Horton’s coffee delivery service for the school staff. He has donated some of his earnings to the following: Brokenhead-Beausejour Pioneer Village Museum.

## ***Student Lead “We Are One”***

ÉESS Students joined together in a “we are one” event to support the communities of Humboldt, Saskatchewan and Parkland, Florida.

## ***Additional Highlights from 2017-2018***

Detailed information on other highlights from the year will be found on our new school website under “newsletter” section, once the website construction has been completed.

## ***What’s Ahead – 2018/2019 School Plan***

*A school wide Mental Health focus through our main learning goals will be our priorities for this year.*

### ***Literacy & Languages***

The goal of ÉESS Literacy Team will be to use Laughter and Satire as a coping strategy. This will provide student engagement, a sense of openness, and a willingness to share. The literacy team will focus on journaling, and building classroom libraries with a focus on mental health. Further to this we will provide literacy games in classrooms.

### ***Numeracy***

The Numeracy team will focus on tools and strategies to reduce anxiety in mathematics on both formative as well as summative assessments. There will also be a focus to provide math interventions based on Marion Smalls structures and strategies to do so. We will also have a focus to ensure mathematical success for all.

### ***Active Learning***

The Active Learning team will focus on education/PD in the area of students' mental health needs. We will offer students more opportunities/activities at lunch and recess with a focus on mental health such as music, art, being outside, working out, cooking to name a few. Involving Senior Years students as leaders in helping middle years students make positive choices in activities at lunch will be one of our focuses.

### ***Diversity***

Our Diversity team will continue their work with providing our students a student led GSA. This will help to make students feel welcome and safe at school and in the community.

### ***French Immersion***

The ÉESS French Immersion team will be focusing on identity, pride, and belonging. This will include the presence of the French Immersion program in the school (posters, signage, etc.), a general awareness of French increased – perhaps a French culture day for students. The result will be Immersion students feeling even more proud of their identity as second language learners.

### ***Socially Responsible Citizenship***

The Socially Responsible Citizens group will be focusing on a positive environment where everyone feels connected and valued. This will be accomplished by observations and conversations with staff and community in how we can best support our students.
