**FREEDOM FROM BULLYING AND HARASSMENT**

---

Sunrise School Division believes the best learning and behaving takes place in a safe, caring and respectful environment. The division supports healthy personal and social development for all.

Schools demonstrate, through proactive and effective intervention strategies, the belief that all members of the school community have the right to an environment free from bullying in all its forms. Bullies and bullying behaviour directed towards students and staff will be taken seriously.

The divisional Code of Conduct outlines the roles and responsibilities of staff, students and parents that guide appropriate responses to bullying and other inappropriate behaviours. The division will apply consequences from the Code of Conduct. Proactive strategies may be implemented to support students impacted by the inappropriate behaviour.
