

What is the Family Portal?

The MyEducationBC (MyEdBC) application is a secure portal used in many school districts in the province of BC. Security is guided by the rules and regulations of the School Act and Freedom of information and Protection of Privacy Act (FOIPPA).

With this application, parents can log into their Family/Parent Portal accounts to view student report cards, as well as student attendance and demographic data.

Parents can access the Login screen for MyEd from any device that connects to the Internet.

1. Open your browser to connect to the Internet.
2. Go to the SOSS homepage <http://soss.sd53.bc.ca> or SD53 homepage <https://www.sd53.bc.ca> and click on the MyEd Family Portal link, or at the following address:
<https://www.myeducation.gov.bc.ca/aspen/logon.do>
3. Enter your Login ID and Password.

Parents should have received an email with information about the Family/Parent Portal. The MyEd Family Portal login and password information has also been emailed to parents.

If you have never accessed your account and cannot find the email, go to the SOSS or SD 53 Homepage, click on the **parent tab**, then click on the link to the Family Portal Help Desk.

If you have already accessed your portal account, but have forgotten your password, you can recover it through the "I forgot my password" link on the login page.

Several 'self help' documents have been prepared and are available also, by accessing the SOSS and SD 53 homepages, Parent Tabs/Family Portal Link.
